

SUMMARY

SOFTWARE ENGINEERING STUDENT WITH HANDS-ON EXPERIENCE IN WEB DEVELOPMENT, BACKEND PROGRAMMING, ARTIFICIAL INTELLIGENCE, MACHINE LEARNING, DATA ANALYTICS, DIGITAL MARKETING, AND GRAPHIC DESIGN. EXPERIENCED IN DEVELOPING PRACTICAL SOFTWARE AND AI PROJECTS THROUGH ACADEMIC WORK AND INTERNSHIPS. A MOTIVATED AND QUICK LEARNER WITH A STRONG INTEREST IN TECHNOLOGY AND DIGITAL INNOVATION, SEEKING OPPORTUNITIES TO APPLY AND FURTHER DEVELOP TECHNICAL AND PROFESSIONAL SKILLS.

EXPERIENCE

YUSHA LEADS *Accurately entered, updated, and organized data in digital systems and spreadsheets.*

- *Verified records, maintained data accuracy, and handled routine administrative tasks.*
-

GROOVO TECH - INTERN

5 months

- *Created and edited digital graphics for various requirements.*
- *Worked according to project requirements and deadlines.*
- *Developed attention to detail and creative problem-solving skills.*

2 months **EAVENX -**

INTERN

- *Assisted with digital marketing activities and online research.*
- *Worked with digital platforms and marketing-related tasks.*
- *Developed skills in communication, content handling, and online outreach.*

CODE ALPHA - INTERN

- *Worked on backend development projects including URL Shortener, Event Registration System, and Restaurant Management System.*
- *Strengthened problem-solving and technical skills.*
- *Worked with databases and web technologies.*

DECODE LABS - INTERN

- *Gained practical exposure to Artificial Intelligence concepts and applications.*
- *Worked on learning and understanding AI-driven technologies.*
- *Developed analytical and technical problem-solving skills.*

EDUCATION

University Of Poonch Rawalakot

CGPA 3.78

Bachelor of Software Engineering

COURSES

MACHINE LEARNING

DATA ANALYTICS

SKILLS

- *Programming: Python, C++, Java, Dart*
- *Web Development: HTML, CSS, PHP, Django*
- *Database: MySQL*
- *AI & Machine Learning: Artificial Intelligence, Machine Learning, Data Classification*
- *Data: Data Analytics, Data Preprocessing, Data Visualization*
- *Digital & Creative: Digital Marketing, Graphic Design*
- *Professional: Communication, Teamwork, Problem Solving, Time Management, Adaptability*
